All conveyors will operate smoothly with the help of
CIR's industry leading cleats and belt guides!!

EXTRUDED PVC

Our extruded products are made with virgin raw materials and we do not use any subpar or filler material in our extrusion process. Our PVC is excellent for fabricated belting because of its fastener-holding strength and ability to withstand high tensions

****CIR can extrude customs profiles. Please contact CIR sales representative for more information!!!!****

T CLEAT

T cleats are efficient profiles for moving material up inclined conveyors. Top of cleat has full radius, which carefully transports material to avoid any bruising or marking of product. The bottom edges of T cleat taper and allow for a smooth transition between belt and cleat. T cleats are also available in a “Beefy” heavy-duty configuration for heavier objects and greater carrying capacity.

Model/Type	Material	Colors	Height	Width	Std. Coils
½" T cleat	PVC	Black • White • Royal Blue • Green	.50"	1"	100ft
¾" T cleat	PVC	Black • White • Royal Blue • Green	.75"	1"	100ft
1" T cleat	PVC	Black • White • Royal Blue • Green	1"	1.50 - 1.55"	100ft
1-½" T cleat	PVC	Black • White • Royal Blue • Green	1.5"	1.50 - 1.55"	100ft
2" T cleat	PVC	Black • White • Royal Blue • Green	2"	1.50 - 1.55"	100ft
2-½" T cleat	PVC	Black • White • Royal Blue • Green	2.5"	1.50 - 1.55"	100ft
3" T cleat	PVC	Black • White • Royal Blue • Green	3.05"	1.50 - 1.55"	100ft
4" T cleat	PVC	Black • White • Royal Blue • Green	4"	1.50 - 1.55"	50ft
1-½" Beefy T cleat	PVC	Black • White • Royal Blue • Green	1.45 - 1.55"	1.50 - 1.55"	50ft
2" Beefy T cleat	PVC	Black • White • Royal Blue • Green	1.95 - 2.05"	1.50 - 1.55"	50ft
2-½" Beefy T cleat	PVC	Black • White • Royal Blue • Green	2.45 - 2.55"	1.50 - 1.55"	50ft
3" Beefy T cleat	PVC	Black • White • Royal Blue • Green	2.95 - 3.05"	1.50 - 1.55"	50ft
4" Beefy T cleat	PVC	Black • White • Royal Blue • Green	3.95 - 4.05"	1.50 - 1.55"	50ft

Custom Base, Baseless and Bead cleats available upon request. PLEASE INQUIRE!!!!

SCOOP CLEAT

Scoop cleats are set at a 60 degree angle to the base which allows the Scoop cleat to hold the product up a steeper incline and prevents products from rolling over top of cleat.

Model/Type	Material	Colors	Height	Width	Std. Coils
2" Scoop cleat	PVC	Black • White • Royal Blue • Green	2"	1.6875"	100ft
3" Scoop cleat	PVC	Black • White • Royal Blue • Green	3"	2.0313"	50ft

V GUIDES

V-Guides are applied to the underside of belts and are an effective way to track belts and allow them to operate and track properly. CIR V-guides are available in both smooth and notched configurations. V-Guides can be used as a cross cleat, diagonal cleat or as a belt tracking aid.

Model/Type	Material	Colors	Std. Pack
6 x 4 MM	PVC	Black • White • Royal Blue • Green	1000ft reel
8 x 5 MM	PVC	Black • White • Royal Blue • Green	1000ft reel
10 x 6 MM O Section	PVC	Black • White • Royal Blue • Green	1000ft reel
A Section	PVC	Black • White • Royal Blue • Green	1000ft reel
B Section	PVC	Black • White • Royal Blue • Green	500ft reel
C Section	PVC	Black • White • Royal Blue • Green	250ft reel
